

CORPORATE VOLUNTEERING

Invest in building a compassionate and socially responsible workforce.

BASScare is a proudly independent, aged care, not for profit organisation that operates an integrated program of services including meals-on-wheels, residential care facilities, respite care and dementia specific services, as well as planned activity groups at day centres, for older people who wish to remain active and engaged with their local communities.

We would like to extend an invitation to your company, to encourage your active involvement in our volunteer initiatives. We invite your staff to join us in the meaningful activity of delivering Meals on Wheels and contributing to our senior activity programs for as little as a couple of hours per session.

The Benefits of corporate volunteering:

Sending your staff to volunteer with BASScare is not just an act of goodwill. By participating in such initiatives, employees are given the opportunity to give back to their community. This experience can foster a stronger sense of purpose and camaraderie within the company, leading to improved employee morale and engagement. Furthermore, it can enhance your corporation's reputation, showcasing a commitment to social responsibility and care for the elderly, which can positively impact the company's brand image.

Requirements for Corporate Volunteers:

To ensure the safety of our services, all volunteers are legislatively required to have:

- *Valid Police Check:* We prioritise the safety of our clients, so a valid police check is mandatory for all volunteers.
- *Commitment:* We kindly request a minimum commitment of 6 months from corporate volunteers to maintain consistency and ensure the best possible experience for our clients.

We'll Cover the Costs:

To make volunteering with us even more accessible, BASScare will cover the costs of the police check for any volunteers who commit to a minimum of 6 months of service.

Get Involved:

Together, we can make a significant impact on the lives of those we serve and create a stronger, more compassionate community.

We look forward to partnering with your corporation and working together to make a difference.

Volunteer Opportunities

MEALS ON WHEELS

Support your local older community by providing contactless meal deliveries, offering a friendly conversation to combat isolation and loneliness, and assisting clients in maintaining their independence within the comfort of their homes.

POTTERY

Get your hands dirty and have some fun in our teacher led pottery class. With a mix of hand building, wheel throwing and turning, glazing and firing. Our pottery classes run weekly from 2pm to 4.30pm on Thursdays.

BOROONDARA BLOKES MENS GROUP

We make it easy for men aged 65+ to keep active and engage with others in our men's only group, Boroondara Blokes. Rodney, a fantastic staff member, grabs the Boroondara Blokes from their homes every second Monday, they hop in the mini bus and they are off on a new trip. Lunches out, cafe hopping, great conversation and a lot of laughing.

LIFELONG LEARNING GROUP

Lifelong Learning Group (LLG) that's exactly what it's all about! Join our welcoming group of participants, volunteers and staff who meet every Wednesday. It's a chance to share your interests in great company. Enjoy guest speakers and presentations on a wide range of topics.
